

## For returnees and entrants from overseas

All persons returning to or entering Japan from abroad (except the countries and regions required to stay in the accommodation of the government.) , the following measures are required by quarantine of Japan.

### ① Submit inspection certificate

- At the time of entry, submit or present a certificate or a copy of certificate of pre-entry test issued within 72 hours prior to departure and certified as "negative" by the local medical institution to the quarantine officer.

### ② Test at the airport

- You will be tested for Covid-19 at the airport .If the result is negative, you have to remain at home, etc. and do not have to use public transportation for 14 days after entering Japan.

### ③ Submit written pledge

- You will need to submit a written pledge to remain at home, etc. for 14 days after arrival, not to use public transportation, to report your health conditions using the application, etc., to store your location information using a map application function, send your location information to Health Monitoring Center for Overseas Entrants upon their request , etc.
- If you violate the pledge, your name (name and nationality if your are non-Japanese) and information that contributes to the prevention of the spread of infection may be publicized.
- In addition to the above if you are a non- Japanese, you may be subject to revocation of status of residence and deportation etc. under the provisions of the Immigration Control and Refugee Recognition Act in case of the violation.
